EL COLLAGE

- Busca imágenes de revistas y folletos
- Recorta partes de cada foto: una cabeza, un sombrero, un cuerpo, un lugar
- Pega las distintas partes juntas para crear un personaje.
- Ponle un nombre a tu personaje e inventa una historia.

Copia cada dibujo debajo de él

Copia cada dibujo debajo de él

Copia las formas, primero dentro de los cubos debajo de cada una, luego cópialas debajo, está vez sin cubo

Copia las formas, primero dentro de los cubos debajo de cada una, luego cópialas debajo, está vez sin cubo

Copia las letras en 3D, primero en los cubos y luego debajo

Copia las formas, primero dentro de los cubos debajo de cada una, luego cópialas debajo, está vez sin cubo

Copia las formas debajo de cada una.
